Location and Contact

Neuse River Canoe Trips will be meeting at The Poole Rd River Access (6501 Poole Rd. Raleigh) at 1:00 PM.

*We will be providing transportation to the Milburnie Dam Access, then paddling back down river to Poole Rd. If you are unable to meet the group at the shuttle location, then you may be responsible for your own transportation. Please contact us if you are unable to make the shuttle.

** Our whitewater canoes are designed for two passengers. In an effort to provide optimal safety and instruction to our paddlers, we allow up to two passengers per boat. Parties with an odd number of participants may be asked to share boats with staff or other participants.
